DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application on 10/31/2007 after final rejection, and, after Notice of Non-Compliant Amendment if 11/8/2007, was refiled on 11/14/2007. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 11/14/2007 has been entered.

Response to Amendment

2. Applicant has amended all the pending independent claims (claims 1, 4, 8, 9, and 14-20) to recite that the word being predicted is predicted using **only** a selected word or word sequence having a modification relationship to the predicted word. This has placed the application in condition for allowance for reasons given below.

3. Applicant's amendment to the application Title has removed the objection thereto.

Allowable Subject Matter

4. Claims 1-6, 8-12, 14-20, and 22-23 are allowed. The following is an examiner's statement of reasons for allowance:

Independent claims 1, 4, 8, 9, and 14-20 are allowed because they recite prediction of a target word based only on a word or word sequence having a modification relationship with said target word. Chelba and Wu teach word prediction but do not rule out words used therefor which do not have a modification relationship with the target word.

Dependent claims 2-3, 5-6, 10-12, and 22-23 are allowed because they further limit their independent claims or their parent claims.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
